**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider like Sonic because its services are of high quality at the lowest possible cost. It is competition that contributes to a healthy market and benefits the consumer.

Deregulation sought by big telephone companies will lead to a massive price hike on all broadband customers and they will be forced to use services from the big telephone companies against their will.

I firmly oppose any policy that benefits big corporations at the expense of the consumer.
